Men's Golf Association (\$200)

The MGA events are designed to promote camaraderie among our golfers, providing a venue where Members can meet other Members with whom they might not regularly play. It is a great way to get immersed into the JL experience!

The MGA has many different tournaments which include the following: The Jonathan's Cup, The MGA Ryder Cup, The Bob Watson Cup, The Fred Harkness 2-day Member/Member, and two Invitational events. Description of the event formats and schedules will be provided online in ForeTees under the **events** tab. There will also be a hard copy available for all Members. Your dues help pay for tournament & Men's Day prizes, along with the complimentary Opening Day & Closing Day Dinners. We look forward to your participation!

Events include major tournaments such as: Captain's Cup, Harkness Cup, Buddy, and Queen Bee, as well as the Ladies' Club Championship.
