

How to Add ThorGuard to Your Mobile Device Home Screen

- 1) Go to <https://360.thormobile.net/jonathanslanding>
- 2) Click on THORTV, then click on ALL CLEAR for the location you want.

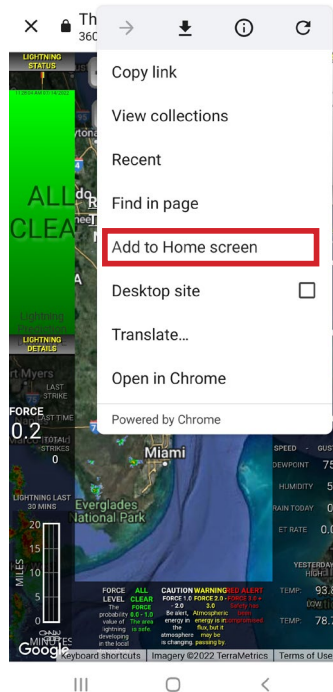

- 3) Click the 3 Dot Menu (Android) or the Square Up Arrow (iPhone) to bring up your action options.

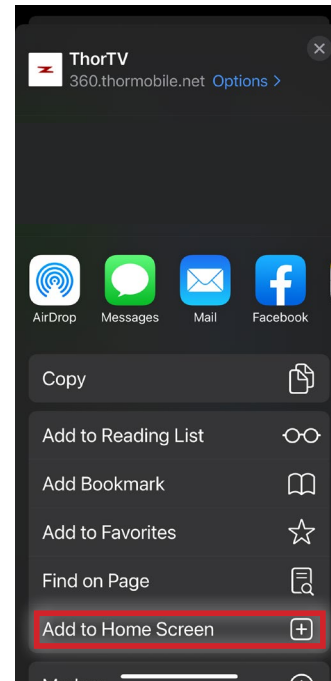

4) Click **Add to Home Screen** (may need to scroll down to see option on iPhone).

Android:

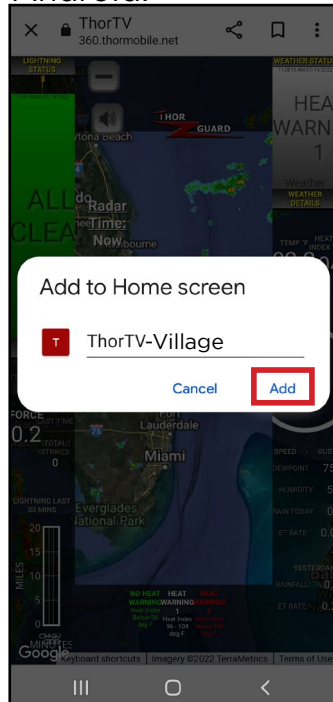

iPhone

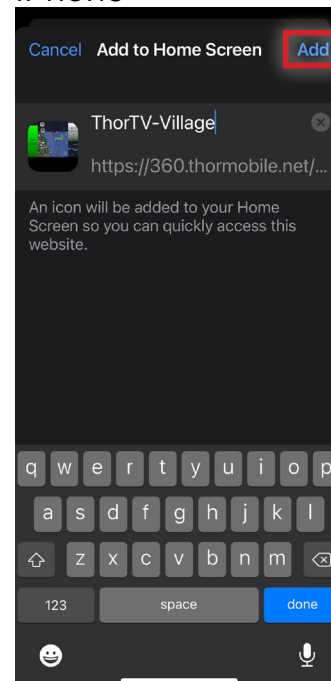

5) Edit the name to reflect the proper location, then click **Add**.

Android:

iPhone

6) You can repeat this process to add both locations to your home screen.
