The System will verify if the information entered is correct and you will then be taken to the next page to set your username and password. The system will suggest a username, but this can be changed. You will then enter and confirm a password of your choice fulfilling the requirements of at least six characters with a combination of letters and numbers. Ex: password2. Finally, you will enter an email address that can be used in the event that you forget your password.

Once all fields have been filled out, click **Create User(3)**.

You will be presented with a confirmation message and the login button can be used to take you to the Member's portion of the website.
